Medical Conditions. There are few conditions or disabilities that preclude children from playing hockey. However, in order that your child may be properly cared for, please list any conditions that may be relevant to your child's safety. Where medication is required, you must provide it.

This information will be treated in confidence and given only to those club officials that require it.

Photographs. Team managers and club officials may take photographs of your child for inclusion in local newspapers, on flyers, the club website or club Facebook. Surnames and addresses will never be divulged.

* I agree / do not agree to my child being photographed for these purposes. * Delete as appropriate.

Safeguarding & Conduct. Plymouth Hockey Club has a proactive approach to ensuring the well-being of your child. Safe D is produced by England Hockey to explain how we do this, what your role is and what to do should you be concerned in any way.

* I have / have not read a copy of England Hockey Safe D (in the yellow box at reception).

* I have / have not read a copy the Club Code of Conduct (on the notice board). I agree to explain its content to my child and thereafter be bound by it.

Ethnicity & Disability. Whilst it is not compulsory for the following sections to be completed, the paragraph below explains why this personal information is considered to be important.

Sport can and does play a major role in promoting the inclusion of all groups in society. However, inequalities have existed within sport particularly in relation to gender, race and disability. Sport England and England Hockey are committed to promoting and developing sports equity, which is about fairness in sport, equality of access, recognising inequalities and taking steps to address them. By monitoring the profile of people in sports clubs, national governing bodies of sport and Sport England can identify any issues relating to under representation of different groups and can develop strategies to ensure that all people have the opportunity in the future to develop and progress in sport.

Ethnicity & Disability Data. England Hockey requests this data from clubs as part of the annual affiliation process and completing this data accurately enables the club to give an accurate picture to England Hockey on our membership. Please tick the box that best describes your child's ethnicity and learning or physical disabilities.
